

1. Every area needs to have one or two people who coordinate the petitions. They are to:
  - a. Collect them from everyone (so individuals will not be delivering them on their own to MLA's)
  - b. Photocopy each sheet. Copies to be saved. Originals submitted to MLA's.
  - c. Mail photocopies to: **Saskatchewan Pro-Life Association Box 27093  
Avonhurst RPO Regina, SK S4R 8R8**
2. Petitions are available through CLN, local SPLA reps, and can be printed from the website.
3. Please print your name, address, etc., but DO NOT use any writing instrument anywhere else on the petition.
4. Only originals can be submitted and can NOT have any other markings on them (I.e., checkmarks to indicate 'done' or similar type memos, personal notes to MLA's e.g., "We know you will support this.').
